Prices Include:

Patch Test: we perform a scratch test with pigment behind the ear to check for any allergic reaction.

Consultation: to discuss your requirements and expectations and answer any questions you may have. The procedure will be explained in full and a general medical discussion to ensure you are suitable for the treatment.

Procedure: the treatment generally takes around 2 hours depending of the treatment you have chosen. We request that you download and complete the consultation form before your appointment, alternatively arrive 15 mins prior to your appointment.

Aftercare: this will be explained in detail by Dawn & her team. We will provide you with written instruction to take home. It is vital that you adhere to the aftercare instructions to ensure that you are not vulnerable to infection once you have left the environment of the clinic.

Follow Up Procedure: for optimum results, clients are required to return for their retouch treatment between 6 – 12 weeks following their initial procedure.

Dermalogica is the number one choice of skin care professionals and consumers worldwide. Why? Because for over 25 years, they have been dedicated to delivering skin health results through education, innovation, and professional recommendation. We stock a full range of Dermalogica retail products so you can continue your skin care routine in the comfort of your own home.

Face Mapping (15 Mins)

Free

Face Mapping is a revolutionary approach to skin analysis developed by The International Dermal Institute exclusively for Dermalogica. Using the zones and the Dermalogica Face Map as a guide, the therapist is able to conduct an inch-by-inch, methodical analysis of the facial landscape, guaranteeing that the subsequent professional treatment and home-care prescription will fully address the individual concerns of each client.

MicroZone Treatment - quick fix for troubled skin (30 Minutes)

£20

When time is a factor or you are facing a skin emergency our Dermalogica MicroZone treatments offer 20-minute, zone-specific facial sessions that get you in and out in less time than you take for lunch. MicroZone treatments are tailored to resolve your identified skin concern. Looking dull? Order a Flash Exfoliation. Manicured nails hampered by ageing hands? Time for a vitamin-rich Hand Renewal. Breakout making you freak out? Drop in for a Rapid Spot Treatment. The ever sought after blackhead relief! It does exactly that, a full session of extractions!

Mini Facial (30 minutes)

£25

The mini facial includes a blend of cleansing, exfoliation, masque, toning and moisturising. Ideal if you're short on time and your skin needs a quick refresh. Get your skin 'make up' ready for the weekend!

The Facial (1 hour)

£35

This treatment is tailored to your skins' exact needs whatever they may be. Your expert therapist will use the exclusive Dermalogica 'face- mapping' technique and adapt the facial specifically for you. Includes a double cleanse, exfoliation, masque, pressure point facial massage, neck & shoulder massage.

Anti Ageing Facial (1 hour)

£40

Most Powerful Dermalogica treatment for prematurely ageing, dry, sun damaged skin, providing nourishment and regeneration. Skin will be noticeably firmer, smoother and revived. Using a specialised exfoliation and vitamin rich recovery masque, its ideal for premature ageing and mature skin.

Ultra Calming Facial (1 hour)

£40

The UltraCalming™ product range was developed by Dermalogica to treat your sensitive skin. It contains UltraCalming™ Complex, an exclusive ingredient clinically proven to treat the causes that lead to skin sensitivity, to reduce redness and irritation in your skin.

Our skincare experts highly recommend the UltraCalming™ facial to treat symptoms you may be experiencing such as itching, burning, stinging and redness.
